Parent Handbook

Spring Session & Summer Mini-Sessions 2025

About Gymworld:

The goal of Gymworld is to provide children with a safe yet exciting opportunity to participate in gymnastics activities. We believe that childhood is a period of life when invaluable foundations are laid: personality and self esteem are fostered and physical and mental abilities are developed. Gymnastics is unsurpassed in its ability to develop strength, flexibility, balance and co-ordination as well as concentration, persistence, social skills and self-discipline, all of which form a strong foundation for lifelong activity, health and success.

Gymnasts

- gymnasts must wear their gymnastics clothes to the facility. Changerooms are unavailable
- girls should wear a body suit or shorts and a T-shirt (tucked in)
- boys should wear shorts and a T-shirt (tucked in)
- bare feet are required
- long hair must be tied back

Parents

- Spectators will be allowed to view classes from the designated parent area.
 - Children will wait in the spectator area with their parents/guardians until they are called into the gym by the coach (at the beginning of the class).
 - **Tumble Tot and Kindergym children MUST be accompanied in the gym** by a designated parent/adult guardian. All caregivers must be within arm's reach and be directly interacting with their child for the duration of the class.
 - Please do not enter the gym area (unless you are in a Tumble Tots or Kindergym class)
- there will be NO make-up classes
- if classes are cancelled due to weather or any other unforeseeable event, we will update our website at www.gymworld.ca and will update our phone message as well

Information Privacy Policy (Updated August 28, 2020)

Gymworld Inc. is committed to protecting your privacy and the privacy of all our members, clients and visitors. Upon registering for any of our programs, you may be asked to provide information that personally identifies you, your child(ren) and other caregivers. This information is used to ensure the safe provision and quality of the program(s) for which you register and allows for the ability to contact you, if and when necessary, with information about your membership or additional programs or services provided by Gymworld Inc. Member or client information is used by Gymworld Inc.'s administrative staff for administrative purposes only, as well as by our coaching staff for the purpose of providing appropriate programs and services for each member or client. Files are kept for each member which include - but are not restricted to - registration forms submitted for programs, fee information for such programs, copies of progress reports, and notes or information we believe to be relevant to providing our programs and services to the best of our ability. Such files are kept for up to seven years following the latest date of registration and, when appropriate, are destroyed by shredding. Gymworld Inc. will not share any personal information with additional parties without your consent, other than if required to do so by law, or in good faith belief that such disclosure is necessary either to comply with the law, to prepare and defend the rights and properties of Gymworld Inc., or to protect a member or client of Gymworld Inc.

Registration in any of our programs or submission of any Gymworld Inc. form implies your agreement to our Information Privacy Policy statement.

Special Needs Policy (Updated November 15, 2022)

Gymworld Inc. is committed to providing an inclusive program for all children from eighteen months of age and up. Children with special needs are welcome to participate in our programs provided we can offer a safe environment for their particular special need.

Regardless of the level of integration (from fully integrated to requiring 1-on-1 support) it is imperative that we receive full disclosure from the family regarding the precise nature of the special need **prior to registration**. An additional form may be required to be completed by the parent or guardian of the child. For children with Down's Syndrome, a cervical x-ray must be completed and the results must be negative in order to participate. All children participating in our programs must be able to go to the bathroom independently or have their own support provided in the event that they need to use our bathroom facilities. Gymworld staff are not trained nor licensed to toilet children. Please refer to the following guidelines for children who require 1-on-1 assistance in the gym:

Gymworld staff **cannot** provide one-on-one support to children with special needs at this time. We continue to welcome any child needing one-on-one assistance to participate in our programs, so long as they can provide their own support person (i.e. parent/guardian) and with that support are able to safely participate on the gymnastics equipment and are able to stay with their class in their designated area of the gym. Please email info@gymworld.ca to arrange this accommodation.

Social Media Privacy Policy (Updated August 28, 2020)

The registration process includes a photo consent disclosure, which can be changed or revoked at any time. Please email info@gymworld.ca if you have any questions or concerns.

FAQs

1. Is there a spot to put coats and shoes?

Upon arrival, children, participating adults and all spectators will be asked to remove their shoes and place them on a shelf by the gym door. Coats may also be hung on hooks in the coat room located by the front door.

2. Should my child bring a water bottle?

There are no drinking fountains in the facility. We suggest that children bring a full water bottle, which they can refill at the water bottle filling station if needed. *Only water is permitted in the gym.*

3. What happens if my child misses a class?

Unfortunately, there are no make-up days for missed classes. If classes are cancelled due to weather, a health outbreak, or any other unforeseeable event, we will update our website at www.gymworld.ca as well as our phone message and social media accounts. In the event of a closure or shutdown, we will make every effort to either make programming available online or to delay the remainder of the session until re-opening is permitted.

Please do not bring your child to gymnastics if they are showing symptoms of any virus or transmissible bacterial infection, or any transmissible disease or ailment.
